# EAT LOCAL & ORGANIC EXPO

April 6 • JCCC

Hosted by KC Healthy Kids for KC Food Circle

KC Healthy Kids connects communities to close health gaps. We invest in community education, local and regional advocacy and direct support. Our work addresses systemic obstacles through solutions-based focus areas of youth advocacy, food policy, mental health, local food and active communities for kids and their families.

We're proud to be home to KC Food Circle and the Eat Local & Organic Expo since 2019! In 1988, a group of local food advocates, farmers and ranchers held the first Expo and soon after formed the KC Food Circle to give their buyers quality assurance.

**Give today to  
improve access to  
locally grown food  
and to have a chance  
to win a stay at Casa  
Somerset Bed &  
Breakfast & Organic  
Farm**
